

Frequently Asked Questions about the

EMPOWER THYSELF PROGRAM NON-DISCLOSURE/NON-COMPETE AGREEMENT

What is an Non-disclosure/Non-compete Agreement (NDA/NCA)?

Officially, a non-disclosure agreement, or NDA, is an agreement between two parties not to disclose information exchanged between the two parties to any other party. A non-compete agreement, or NCA, similarly is an agreement where the party receiving said information agrees not to use it in competition against the party that originally disclosed this information.

Why does the Modern Mystery School have students sign an NDA/NCA at Empower Thymself?

The knowledge that is shared in the Empower Thymself Program is sacred and should be treated as such. In the Mystery School tradition, one must receive this information through the holy process of oral teaching and handing down from teacher to student, as it has been for thousands of years.

Receiving information as a student won't make you a teacher. It takes time, experience and application of this knowledge as well as training and certification to ensure that you would be able to pass on these teachings in integrity. This is exactly what your Guide has gone through to ensure that you would receive these teachings in the highest Light.

The Modern Mystery School is committed to keeping these powerful ancient teachings intact, in integrity and to prevent them from being misused and misappropriated, re-produced and plagiarized.

In ancient times, it was common for initiates on the path of the mysteries to sign and proclaim an oath in fidelity to their mystery school and lineage. While we don't have such a process in that same way, this is comparable in today's modern times that we safeguard this sacred knowledge with standard and common legal documents, such as with an NDA/NCA.

What happens if I don't want to sign one?

We know you are doing this program and initiation for your own personal growth and spiritual development, however we ask that you sign this agreement in order to help us protect what is sacred. Receiving this holy and sacred knowledge is a choice of FREE WILL, it is not a mandatory rite of passage. With the acceptance of the power and light that comes with this initiation, so comes the responsibility to protect the tradition. Signing this agreement is fundamental part of accepting the Adept Initiation and receiving the knowledge in Empower Thymself.

Can I review the document before signing?

Absolutely! Please ask your Guide for a copy to review and contemplate prior to signing.

What is done with the agreement once it is signed?

It is kept in storage for records.

Is it possible to get a copy of the agreement I signed?

Yes, of course! Please ask your Guide to photocopy the signed agreement.
